To Advertisers:.

Our ISA Membership Handbook is printed annually in April. This handbook will be distributed to approximately 300 members in the Prairie Chapter and includes valuable advertising space for businesses such as yours or other non-profit organizations wishing to attract members. It will target commercial and municipal tree care workers, utility tree trimmers, golf course and landscaping firms.

**The rates are as follows:**

Full page (8.5 x 5.5)	\$110 plus GST
Center Spread (8.5 x 11)	\$220 plus GST
Half Page (4.25 x 5.5)	\$60 plus GST
Design Charges	\$50/hour

Please consider providing an advertisement in this handbook for the first time or again this year. Please confirm if you wish to book space with Nancy before Mar. 30th.

All ad's will be in black and white (no color). Camera ready art should be emailed to me no later than Apr. 1st in order to get it into the handbook. I would appreciate having art sent to me as eps or high quality pdf's so that they can be easily inserted. Please e-mail me at [office@isaprairie.com](mailto:office@isaprairie.com) to discuss the format you use, or you can call me directly at 1-866-550-7464.

Thank you kindly,

Nancy Neustaeter  
Executive Secretary
