

“Hang Out” with the Family at ARBOR DAY!

Trees Winnipeg is pleased to invite you and your family to join us for our annual Arbor Day celebration!

There’s a lot more to tree care than meets the eye — but our local certified arborists can show you all the ins and outs, and ups and downs (safely of course)! Adventurers young and young-at-heart can be hoisted up to the canopy or try ascending to the tree tops on a bucket truck. The children’s zip-line ride is one of the hottest rides on site, so be sure to get in line early! But there’s still lots of fun to be had for those who prefer to keep their feet on the ground! Get the answers to all your tree-related questions at our Ask The Arborist booth, and exhibitors will have prizes to hand out all day. The kids will enjoy the new Children’s Nature Playground and the craft projects that they can bring home.

Our theme for Arbor Day is “All Trees Tell a Story”. There are hundreds of trees in Winnipeg with fascinating stories that are older than Winnipeg itself! Some of these amazing trees have been featured in previous issues of the Urban Forester. To celebrate these stories we have been working on a special project... a beautiful piece of artwork that captures one of these stories, and we hope it will inspire many more! But it’s a secret for now.... join us for the big reveal!

Saturday May 26th Children’s Adventure park play ground at Assiniboine Park
