About the Prairie Chapter and this Event

The International Society of Arboriculture Prairie Chapter is the premier tree organization in Western Canada, east of the Rockies. From the prairies to the peaks, we are servicing the needs of over three hundred members under some of the bluest skies and cleanest air anywhere!

The Prairie Chapter is one of the largest chapters on earth in terms of geographic size and, we are the main provider for educational opportunities, CEU's and the best forum for networking arborists in Manitoba, Saskatchewan and Alberta.

We hold an annual conference and an annual tree climbing competition that brings together the best professional tree service providers in private practice and the utility sector, as well as municipal arborists from all the major cities and towns in the Prairies.

If you need to reach our members to market your products or services, there is no better way than to become a sponsor!
