Requires a minimum of 15 registrants by May 21, 2022 to proceed.

Please have your registrations in to the Prairie Chapter Office prior to May 21, 2022

Course Instructor: Dwayne Neustaeter

Course Description

The ISA Tree Risk Assessment Qualification (TRAQ) program provides an opportunity for professionals in the arboriculture industry to expand their knowledge through education and training in the fundamentals of tree risk assessment. This qualification promotes the safety of people and property by providing a standardized and systematic process for assessing tree risk. The results of a tree risk assessment can provide tree owners and risk managers with the information to make informed decisions to enhance tree benefits, health, and longevity.

The course includes Tree Biology and Mechanics, Tree Inspection and Assessment, Data Analysis and Risk Categorization, and Risk Reporting. The Tree Risk Assessment Qualification (TRAQ) Course prepares the participant to take the TRAQ assessment to become ISA Tree Risk Assessment Qualified.

The qualification consists of a 2-day educational course followed by a ½-day assessment that includes both written and field components. It is required that you attend the course and successfully complete the assessment in order to receive this qualification.

Preparing for the Course - *Before You Leave Home*

Thoroughly review the *Tree Risk Assessment Manual* and complete the preliminary work in the *Tree Risk Assessment Workbook* before attending the course. **This will be shipped to by UPS from ISA Main Office after May 21, 2022**

Items to Bring with You to the event:

- A government-issued photo identification card, such as a driver's license, passport, or military ID
- *Tree Risk Assessment Manual* (included in your confirmation packet)
- *Tree Risk Assessment Qualification Workbook*, and your TRAQ clip board also included in your confirmation packet
- Writing utensil(s), including at least one #2 pencil
- Appropriate attire for both indoor and outdoor activities
- High-visibility vest, coat, or clothing
- Hard hat

This registration form is to apply for a TRAQ Course and Exam. If you need to apply for a TRAQ exam retake only, you must contact qual@isa-arbor.com or call +1 217.355.9411.

Prerequisites for Tree Risk Assessment Qualification

To be eligible to register for the course and take the exam, you must have earned one of the following credentials.

For non-ISA credentials, please submit a copy of a certificate, credential identification card, diploma, or similar document. Copies should be emailed to: office@isaprairie.com
