

The Prairie Chapter Tree Climbing Championship August 26, 27, 28 2022

Wascana Park Regina SK.

The five TCC events are:

Work climb: Contestants climb to five stations in a tree, performing a different task at each station.

Aerial rescue: Contestants reach and safely lower an injured climber (actually a life-sized mannequin)

Throwline: Tests contestants' ability to accurately place lines 30 - 60 feet up in a tree.

Belayed speed climb: Contestants ascend a predetermined route from ground to about 60 feet.

Ascent Event (Formerly Secured Footlock): Measures climber's ability to perform a 50 foot vertical ascent
